PROVERBS TOPICAL VERSE SUMMARY

Introduction

There is tremendous value for God's people in studying the wisdom of the book of the Proverbs. However, a large portion of the book is very sporadic with short proverbs jumping from one topic to another very quickly, many times changing from one verse to the next. I have attempted to summarize the book of Proverbs based on major topics that are very prevalent in the book to help aid in my study of this book (and hopefully your study as well). This topical verse summary is no substitute for reading this book verse by verse as it was inspired by the Holy Spirit. In addition to that expositional reading, we hope this topical grouping of the book will help us see the Proverbs' treatment of major topics all grouped together instead of finding these verses sprinkled all throughout the book.

This verse summary is not exhaustive and certainly not authoritative. Every verse in the book of Proverbs is included in this summary, but the grouping could be quite challenging. Quite a few verses are in more than one section because they teach valuable lessons on multiple topics. However, I am confident I have left off verses in some section and probably omitted a topic you might include. Despite these limitations, we do hope this can be a profitable aid in your study of the wisdom of Proverbs.
